

A BED THAT ENDURES.

Over 15 years, you spend 35,000 hours sleeping. On 1,900 rainy days, you have to rise from your bed, though you'd prefer to linger. On 930 Sundays and public holidays, you can enjoy a leisurely lie-in. To ensure that you can do all this in the same bed, we're extending the durability guarantee for the frame and suspension of our beds to 15 years.

We are celebrating 15 years of guaranteed quality with 15% off all beds (including toppers)*.

Promotion period: until June 30, 2024.
